Location:
Offense: Aggravated Robbery with Deadly Weapon - Handgun

On February 27, 2008 at about 6:30 PM, An adult male and an adult female were walking and pushing a stroller with their small child inside it in the 1200 block of Sue Barnett, Houston, Harris County, Texas. A dark blue car pulled up along side them and the driver said something to them. The driver then pointed what appeared to be a handgun concealed in a plastic bag at them and demanded the adult male's wallet. The driver threatened to harm the adult female or the child if the adult male did not comply. The adult male had his wife run away with the child as he complied with the driver's demands. The adult male got possible license plate number X80JKZ from the vehicle which he believed might be a Saturn. The adult male indicated there may have been a second person in the vehicle, but he did not get a good look at him.

On February 27, 2008 between 7:40 PM and 9:41 PM (an hour after the robbery), someone used the adult male's Lowes credit card at the Lowes store at 1521 W Loop N, and made purchases totaling \$4077.31. Sergeant Green retrieved store surveillance video from store security personnel. The video showed what appears to be a Hispanic male wearing a gray T-shirt and black shorts making the purchases. He is assisted during one of the purchases by what appears to be a second Hispanic male wearing jeans, a jean jacket and a black ball cap. Sergeant Green allowed the adult male and adult female to view the surveillance video and they positively identified the male in the gray T-shirt and black shorts as the man who threatened and robbed them.

License plate X80JKZ comes back on a 1995 Mazda registered in Texas.
